- In 45% of auto thefts, keys were used to steal the vehicles (keys left in vehicle, lost keys, etc)

AUSTIN POLICE DEPARTMENT DATA DISCLAIMER

Understanding the following conditions will allow you to get the most value out of the data provided.

- a) Due to methodological differences in data collection, care should be taken when comparing against other reports as different data sources or reports may produce different results.
- b) The APD's crime database is continuously being updated, so reports run at different times may produce different results. The data provided here represents a particular point in time and does not reflect the on-line database.
- c) The data provided is for informational use only and is not considered official APD crime data as the data here may not reflect official Texas DPS, FBI UCR or NIBRS crime numbers.
- d) The Austin Police Department does not assume any liability for any decision made or action taken or not taken by the recipient in reliance upon any information or data provided.

With these conditions in mind, we hope the information provided is helpful to you in your endeavors.

CRIME PREVENTION TIPS:

- Never leave your car running and unattended even if you'll only be gone a minute – make sure keys are secure with you.
- Invest in vehicle and motorcycle deterrents – wheel locks, steering lock, tracking device, kill switch, etc.
- A vehicle is burglarized in Texas every 2 ½ minutes - Don't leave valuables in your vehicle. If you must leave belongings, hide them from sight.
